2. This is a private sale open only to members of EAC.
3. Each lot will be sold to the highest bidder. Should identical bids be received on any lot, the first bid received by EAC shall be given preference. Should any dispute arise between bidders on a particular lot, EAC shall decide the same.

Your bid will be reduced as appropriate so that it is only the proper advance over the next highest bid. EAC cannot and does not assume any responsibility for or to correct any errors whatever on Bid Sheets. PLEASE RECHECK YOUR BID SHEET CAREFULLY BEFORE MAILING. Mail bidders unknown to the officers of EAC must include a deposit equal to 25% of their total bids. In the discretion of EAC, bids received without such a deposit may not be accepted. EAC will execute mail bids on behalf of its members, without charge or commission; however see Item 6 below.
5. Each lot shall be opened for bidding at the reserved amount set forth in this catalogue, or as determined by EAC. Bidding shall increase in whole or round dollar amounts, at the discretion of EAC. Bids made in other than whole or round dollar amounts will be reduced to nearest such amount.
6. Lots delivered in any state or locality where this sale is conducted may be subject to state and/or local sales tax. Any such sales tax may be invoiced separately after delivery of purchases. Postage or shipping, plus insurance, will be added to the invoice of purchasers who have their purchases shipped.
7. This sale is strictly for cash; payment in full for all purchases must be made in current U.S. funds, upon receipt of invoice or prior to delivery of purchases. Title remains with EAC until purchases are paid in full.
8. Lots designated by "as is" are sold on a strictly "AS IS" basis. No returns whatever.

Lots purchased by members attending the sale in person (or by agent in person) may not be returned for any reason. Except for the lots designated in Item 8 above, no lot purchased by members bidding by mail may be returned unless (a) there is a substantial error in the catalogue description of such lot; (b) a written claim for adjustment is made to and received by EAC at c/o William Noyes, P.O. Box 428, Monument Beach, Massachusetts 02553 within ten (10) days of delivery of such lot; and (c) written permission for such return is granted by EAC. EARLY AMERICAN COPPERS NATIONAL CONVENTION, 1983

The annual meeting of Early American Coppers, Inc. returns this year to the New York City area after a seven-year tour throughout the United States. It is our pleasure to welcome you to this event, and to express our confidence that the numismatic quality and excitement established by its predecessors will be maintained, if not enhanced. The exhibits at this Convention will offer a chance to view choice and unusual coppers. In conjunction with the Educational Forum, they allow attendees to broaden their knowledge of copper coins and to sharpen attribution and grading skills. The bourse and the EAC'83 Sale described in this catalog give everyone an opportunity to add to their collections. Most of all, EAC'83 brings together again one of the most knowledgeable and friendly groups in the numismatic world. So make the best of these resources!

FULL COLOR PLATES FOR EAC '83 SALE

Through the efforts of our cataloguer, William Noyes, EAC has produced four full color 8" X 10" glossy plates depicting 40 of the coins listed in this EAC '83 Sale catalogue. Both the obverses and reverses are shown; they are slightly larger than the coins themselves. The plates may assist mail bidders in evaluating the coins, and will provide insight to EAC members as to how EAC Sale coins are graded.

The plates are suitable for framing and are available to all EAC members for \$20.00 postpaid per set of four plates. They should be ordered from:

Early American Coppers
c/o William C. Noyes
P.O. Box 428
Monument Beach, Massachusetts 02553

Make checks payable to Early American Coppers. No phone orders please.
