

SAN FRANCISCO

**EARLY AMERICAN COPPERS** CONVENTION

DUNFEY HOTEL - MARCH 29-30-31 APRIL 1

1984

TERMS OF SALE

1. This sale is conducted by and for the benefit of Early American Coppers, Inc., a not-for-profit organization, (EAC) and its members. The net proceeds of this sale are utilized to further EAC's primary activities, which are to promote, encourage and sustain a continued interest in early American copper coins and to disseminate relevant information concerning those coins.
2. This is a private sale open only to members of EAC.
3. Each lot will be sold to the highest bidder. Should identical bids be received on any lot, the first bid received by EAC shall be given preference. Should any dispute arise between bidders on a particular lot, EAC shall decide the same.
4. Bidding shall be by mail or in person. Mail bids should be made for the maximum amount you are willing to pay for the applicable lot. Your bid will be reduced as appropriate so that it is only the proper advance over the next highest bid. Mail bids should be made only on the Bid Sheet contained in this catalogue, and should be sent to the address(es) designated thereon. EAC cannot and does not assume any responsibility for or to correct any errors whatever on Bid Sheets. PLEASE RECHECK YOUR BID SHEET CAREFULLY BEFORE MAILING. Mail bidders unknown to the officers of EAC must include a deposit equal to 25% of their total bids. In the discretion of EAC, bids received without such a deposit may not be accepted. EAC will execute mail bids on behalf of its members, without charge or commission; however see Item 6 below.
5. Each lot shall be opened for bidding at the reserved amount set forth in this catalogue, or as determined by EAC. Bidding shall increase in whole or round dollar amounts, at the discretion of EAC. Bids made in other than whole or round dollar amounts will be reduced to nearest such amount.
6. Lots delivered in any state or locality where this sale is conducted may be subject to state and/or local sales tax. Any such sales tax may be invoiced separately after delivery of purchases. Postage or shipping, plus insurance, will be added to the invoice of purchasers who have their purchases shipped.
7. This sale is strictly for cash; payment in full for all purchases must be made in current U.S. funds, upon receipt of invoice or prior to delivery of purchases. Title remains with EAC until purchases are paid in full.
8. Lots designated by "as is" are sold on a strictly "AS IS" basis. No returns whatever. All multiple coin lots are sold on a strictly "AS IS" basis.
9. Any errors in this catalogue discovered by EAC prior to the sale will be corrected at the time of sale. In the discretion of EAC, any lot or mail bid on such lot may be withdrawn. Lots purchased by members attending the sale in person (or by agent in person) may not be returned for any reason. Except for the lots designated in Item 8 above, no lot purchased by members bidding by mail may be returned unless (a) there is a substantial error in the catalogue description of such lot; (b) a written claim for adjustment is made to and received by EAC at c/o William Noyes, P.O. Box 428, Monument Beach, Massachusetts 02553 within ten (10) days of delivery of such lot; and (c) written permission for such return is granted by EAC. Notwithstanding the foregoing, lots removed from their original holders may not be returned for any reason. This is not an approval sale.
10. Lots may be inspected in person only during the hours of the EAC Convention prior to the time of sale.
11. By placing a bid, you agree to be bound by these Terms of Sale.

CONVENTION WELCOME

"Welcome to the Golden State." I want to extend a warm invitation on behalf of the entire California EAC membership, our talented chairpeople and myself to a period of good fellowship and fun!

Many of you are attending your first national Convention and we believe it is important that you have a comfortable location in which you may meet and mix with other prominent EAC members. Among the many people attending this Convention will be our able EAC officers, authors of numismatic reference books and of articles we enjoy in Penny-Wise, plus many knowledgeable dealers in coins and books. So come share and enhance our Hospitality Room on Thursday, March 29th from 4:00 to 7:00 P.M.; we'd like to meet you.

For the ladies, you are going to receive special attention this year courtesy of Director of Women's Activities, Joyce Kuntz. Tours are scheduled on Friday and Saturday, from 10:00 A.M. until 4:00 P.M. that will provide you interesting sites to visit and gracious companions with whom to share your experiences.

Friday morning at 9:30 A.M. we will officially open the 1984 EAC National Convention. Inside you will find that Cal Wilson has brought together a large number (40+) dealers offering not only excellent coppers but also rare numismatic literature. EAC Sale material assembled and catalogued by Bill Noyes and Cal Wilson will be available for viewing. So check out all those lots that look good to you.

G. Lee Kuntz has corralled some super exhibits. The cherry and rare items promised for display won't be seen again for many years. It might be advisable to tour the exhibit area while your checkbook recovers from "bourse hyper-ventilation". I don't know what you are going to have for dinner Friday night, but I suggest at 7:00 P.M. that you come to the Forum for dessert. Benj Fauver has assembled a most prestigious trio -- Del Bland, Denis Loring and R. Tettenhorst. Each will present a subject new to our Forum which will appeal to all EAC'ers irrespective of your collecting interest or tenure in the hobby.

Saturday will probably further tax your line of credit but do not be too dismayed; look at what our federal government is doing! At 7:00 P.M. it will be "EAC '84 Sale Time". Get your sale number, warm up your bidding arm and prepare to do battle for what you like.

Sunday, a day of rest??; not until we attend the EAC General Business meeting conducted by our President, Jeffrey Oliphant. The Bourse - Exhibit area will be closed until the Business Meeting is concluded, which should be before 10:30 A.M.

At 2:00 P.M. Sunday, we will officially draw to a close the 1984 EAC Convention and I hope you will depart with a feeling of being enriched in many ways and of formulating plans for our 1985 event, to be held in Chicago.

Bill Weber,  
Convention Chairman
