EARLY AMERICAN COPPERS CONVENTION
WEST PARK INN-WASHINGTON MAY 9,10,11

TERMS OF SALE

1. This sale is conducted by and for the benefit of Early American Coppers, Inc., a not-for-profit organization, (EAC) and its members. The net proceeds of this sale are utilized to further EAC's primary activities, which are to promote, encourage and sustain a continued interest in early American copper coins and to disseminate relevant information concerning those coins.
2. This is a private sale open only to members of EAC.
3. Each lot will be sold to the highest bidder. Should identical bids be received on any lot, the first bid received by EAC shall be given preference. Should any dispute arise between bidders on a particular lot, EAC shall decide the same.
4. Bidding shall be by mail or in person. Mail bids should be made for the maximum amount you are willing to pay for the applicable lot. Your bid will be reduced as appropriate so that it is only the proper advance over the next highest bid. Mail bids should be made only on the Bid Sheet contained in this catalogue, and should be sent to the address(es) designated thereon. EAC cannot and does not assume any responsibility for or to correct any errors whatever on Bid Sheets. PLEASE RECHECK YOUR BID SHEET CAREFULLY BEFORE MAILING. Mail bidders unknown to the officers of EAC must include a deposit equal to 25% of their total bids. In the discretion of EAC, bids received without such a deposit may not be accepted. EAC will execute mail bids on behalf of its members, without charge or commission; however see Item 6 below.
5. Each lot shall be opened for bidding at the reserved amount set forth in this catalogue, or as determined by EAC. No bid of less than \$20 on any U.S. coin lot will be accepted. Bidding shall increase in whole or round dollar amounts, at the discretion of EAC. Bids made in other than whole or round dollar amounts will be reduced to nearest such amount.
6. Lots delivered in any state or locality where this sale is conducted may be subject to state and/or local sales tax. Any such sales tax may be invoiced separately after delivery or purchases. Postage or shipping, plus insurance, will be added to the invoice of purchasers who have their purchases shipped.
7. This sale is strictly for cash; payment in full for all purchases must be made in current U.S. funds, upon receipt of invoice or prior to delivery of purchases. Title remains with EAC or its consignors until purchases are paid in full.
8. Lots designated "as is" are sold on a strictly "AS IS" basis. No returns whatever. All multiple coin lots are sold on a strictly "AS IS" basis.
9. Any errors in this catalogue discovered by EAC prior to the sale will be corrected at the time of sale. In the discretion of EAC, any lot or mail bid on such lot may be withdrawn. Lots purchased by members attending the sale in person (or by agent in person) may not be returned for any reason. Except for the lots designated in Item 8 above, no lot purchased by members bidding by mail may be returned unless: (a) there is a substantial error in the catalogue description of such lot; (b) a written claim for adjustment is made to and received by EAC at c/o William Noyes, P.O. Box 428, Monument Beach, Massachusetts 02553 within ten (10) days of delivery of such lot; and (c) written permission for such return is granted by EAC. Notwithstanding the foregoing, lots removed from their original holders may not be returned for any reason. This is not an approval sale.
10. Lots may be inspected in person only during the designated hours of the EAC Convention prior to the time of sale.
11. By placing a bid, you agree to be bound by these Terms of Sale.

1986 EARLY AMERICAN
COPPERS CONVENTION

On behalf of the Mid- Atlantic region, we extend an invitation to all EAC'ers to attend our annual convention at the Westpark Hotel, Rosslyn, Virginia. We are especially pleased to welcome you to the nation's capital and we hope you enjoy your stay and the show.

One of the things I have noticed at past conventions is the willingness of EAC'ers to help others and to share their knowledge and fellowship readily. Perhaps EAC'ers are practicing Robert Louis Stevenson's belief that " A friend is a present that you give to yourself", or maybe this helpfulness is the cement that bonds us collectors of old "round copper disc's". Whatever the cause, it is a feeling that you should experience firsthand by attending the annual convention. Spouses are especially welcome, and while we have kept the spouse program flexible, we will provide individual and group activities throughout the show.

If your travel plans allow you to arrive on Thursday, please "give yourself a present" by stopping at the EAC hospitality room. As a prelude to the show, the hospitality room provides a relaxed setting in which old and new EAC'ers can get together to renew old friendships and begin new ones.

Thursday evening will feature a Half Cent Happening, as described in the March P-W. Any EAC'ers interested in Half Cents of 1797, 1803 and 1807 are invited to participate

At 9 AM on Friday, the EAC convention officially opens. The bourse provides an opportunity to acquire choice copper from a large number of dealers (35+) who specialize in the various copper coinage. EAC auction material will be available for viewing and several outstanding exhibits have been put together for your pleasure by fellow EAC'ers.

Friday evening the educational forum promises five interesting speakers, covering a wide range of numismatic topics which should appeal to all EAC'ers.

Saturday the bourse opens again at 9 AM, and Saturday evening features the members only auction comprised of several hundred lots, all of which has been consigned by fellow EAC'ers and cataloged by Bill Noyes.

Sunday opens with the annual membership meeting at 9 AM, afterwhich the bourse will be open until 1 PM. Then we say our goodbys until the next time. Hope we see you,

Mike Packard
Joseph Kane
Co-Chairmen, EAC 86

1986 EAC CONVENTION SCHEDULE

Thursday, May 8

3 PM - 7 PM	Registration Open
4 PM - 10 PM	Security Room Open to Store Valuables

Speakers at this year's educational forum and their topics are:

Mike Packard - "Copper Coins of Massachusetts"

Raymond Williamson - "First Steam Coinage"

Robinson Brown - "Recollections on a Lifetime of Collecting Large Cents"

Pete Smith - "Numismatic Gerontology"

Cory Gilliland (Smithsonian Institution) - "Early American Copper Coinage in Relation to the Art and Taste of the Period"

ABOUT THE COVER:

Our cover this year was drawn by EAC member Steve Fischer incorporating a concept evolved by Joseph Kane. Steve is one of many EAC'ers who willingly volunteered his time and his talents to further the success of the EAC convention.
