

# Early American Coppers Convention

*Dallas Marriott Park Central*

*Dallas, Texas*

*March 20-22, 1987*

## TERMS OF SALE

1. This sale is conducted by and for the benefit of Early American Coppers, Inc., a not-for-profit organization, (EAC) and its members. The net proceeds of this sale are utilized to further EAC's primary activities, which are to promote, encourage and sustain a continued interest in early American copper coins and to disseminate relevant information concerning those coins.
2. This is a private sale open only to members of EAC.
3. Each lot will be sold to the highest bidder. Should identical bids be received on any lot, the first bid received by EAC shall be given preference. Should any dispute arise between bidders on a particular lot, EAC shall decide the same.
4. Bidding shall be by mail or in person. Mail bids should be made for the maximum amount you are willing to pay for the applicable lot. Your bid will be reduced as appropriate so that it is only the proper advance over the next highest bid. Mail bids should be made only on the Bid Sheet contained in this catalogue, and should be sent to the address(es) designated thereon. EAC cannot and does not assume any responsibility for or to correct any errors whatever on Bid Sheets. PLEASE RECHECK YOUR BID SHEET CAREFULLY BEFORE MAILING. Mail bidders unknown to the officers of EAC must include a deposit equal to 25% of their total bids. In the discretion of EAC, bids received without such a deposit may not be accepted. EAC will execute mail bids on behalf of its members, without charge or commission; however see Item 6 below.
5. Each lot shall be opened for bidding at the reserved amount set forth in this catalogue, or as determined by EAC. No bid of less than \$20 on any U.S. coin lot will be accepted. Bidding shall increase in whole or round dollar amounts, at the discretion of EAC. Bids made in other than whole or round dollar amounts will be reduced to nearest such amount.
6. Lots delivered in any state or locality where this sale is conducted may be subject to state and/or local sales tax. Any such sales tax may be invoiced separately after delivery of purchases. Postage or shipping, plus insurance, will be added to the invoice of purchasers who have their purchases shipped.
7. This sale is strictly for cash; payment in full for all purchases must be made in current U.S. funds, upon receipt of invoice or prior to delivery of purchases. Title remains with EAC or its consignors until purchases are paid in full.
8. Lots designated "as is" are sold on a strictly "AS IS" basis. No returns whatever. All multiple coin lots are sold on a strictly "AS IS" basis.
9. Any errors in this catalogue discovered by EAC prior to the sale will be corrected at the time of sale. In the discretion of EAC, any lot or mail bid on such lot may be withdrawn. Lots purchased by members attending the sale in person (or by agent in person) may not be returned for any reason. Except for the lots designed in Item 8 above, no lot purchased by members bidding by mail may be returned unless: (a) there is a substantial error in the catalogue description of such lot; (b) a written claim for adjustment is made to and received by EAC at c/o William Noyes, P.O. Box 428, Monument Beach, Massachusetts 02553 within ten (10) days of delivery of such lot; and (c) writtenn permission for such return is granted by EAC. Notwithstanding the foregoing, lots removed from their original holders may not be returned for any reason. This is not an approval sale.
10. Lots may be inspected in person only during the designated hours of the EAC Convention prior to the time of sale.
11. By placing a bid, you agree to be bound by these Terms of Sale.

## 1987 EARLY AMERICAN COPPERS NATIONAL CONVENTION

HOWDY! We are pleased to welcome y'all back to the Lone Star State and Big D for the 1987 EAC National Convention. If you arrive on Thursday, join us in the hospitality room to renew old acquaintances and make new ones.

A full slate of activities is planned for the copper enthusiast beginning with the Half Cent Happening on Thursday evening. The convention officially opens Friday morning with hoards of dealers (35 maybe?), exhibits and sale lots to peruse. An outstanding educational forum is planned for Friday evening and the annual EAC sale will be Saturday evening. The stampede for lots will follow immediately. The EAC general meeting will be held Sunday morning (no stampede expected here).

For those who plan to bring your spouse you will be glad to know that the convention site is conveniently located near several shopping malls, theaters, and Olla Podrida which offers arts, crafts, collectibles and all sorts of things to compete with your copper spending plans. Details will be available Thursday at the hospitality room and at the registration desk.

We hope you enjoy the convention and your stay in Dallas.

Stu Hodge  
Ed Jasper
