=====

1. This Sale is conducted by and for the benefit of Early American Coppers, Inc., a not-for-profit organization, (EAC) and its members. The net proceeds of this Sale are utilized to further EAC's primary activities, which are to promote, encourage and sustain a continued interest in early American copper coins and to disseminate relevant information concerning these coins.
 2. This is a private sale open only to members of EAC.
 3. Each lot will be sold to the highest bidder. Should identical bids be received on any lot, the first bid received by EAC shall be given preference. Should any dispute arise between bidders on a particular lot, EAC shall decide the same.
 4. Bidding shall be by mail or in person. Mail bids should be made for the maximum amount you are willing to pay for the applicable lot. Your bid will be reduced as appropriate that it is only the proper advance over the next highest bid. Mail bids should be made only on the Bid Sheet contained in this catalogue, and should be sent to the address(es) designated thereon. EAC cannot and does not assume any responsibility for or to correct any errors whatever on Bid Sheets. PLEASE RECHECK YOUR BID SHEET CAREFULLY BEFORE MAILING. No deposit is required of mail or floor bidders, however, all bidders are required to honor their bids. EAC will execute mail bids on behalf of its members, without charge or commission; however see Item 6 below.
 5. Each lot shall be opened for bidding at the reserved amount set forth in this catalogue, or as determined by EAC. No mail bid or less than \$50 on any U.S. coin lot will be accepted. Bidding shall increase in whole or round dollar amounts, at the discretion of EAC. Bids made in other than whole or round dollar amounts will be reduced to nearest such amount.
 6. Lots delivered in any locality where this Sale is conducted may be subject to state and/or local sales tax. Any such tax may be invoiced separately after delivery of purchases. Postage or shipping, plus insurance, will be added to the invoice of purchasers who have their purchases shipped.
 7. This Sale is strictly for cash; payment in full for all purchases must be made in current U.S. funds, upon receipt of invoice or prior to delivery of purchases. Personal checks with current funds available are acceptable; no credit cards or credit arrangements are acceptable. Title remains with EAC or its consignors until purchases are paid in full.
 8. Lots designated "as is" are sold on a strictly "AS IS" basis. No returns whatever. All multiple coin lots are sold on a strictly "AS IS" basis.
 9. Any errors in this catalogue discovered by EAC prior to the Sale will be corrected at the time of sale. In the discretion of EAC, any lot or mail bids on such lot may be withdrawn. Lots purchased by members attending the Sale in person (or by agent in person) may not be returned for any reason. Except for the lots designated in Item 8 above, lots purchased by members bidding by mail may be returned only if: (a) there is a substantial error in the catalogue description of such lot; (b) a written claim for adjustment is made to and received by EAC at c/o William Noyes, P.O. Box 428, Monument Beach, Massachusetts 02553 within ten (10) days of delivery of such lot; and (c) written permission for such return is granted by EAC. Notwithstanding the foregoing, lots removed from their original holders may not be returned for any reason. This is not an approval sale.
 10. Lots may be inspected only in person and only during the designated hours of the EAC Convention prior to the time of sale.
 11. By placing a bid, you agree to be bound by these Terms of Sale.

Welcome to Cincinnati and the 1989 Early American Coppers Club Annual Convention. We are happy to again host the Annual Convention - the EAC Annual Convention was previously here in 1982. Check the schedule shown below to take advantage of planned activities.

The Hospitality Suite, hosted by North Central Region members, will be open from 5:30 p.m. until 7:00 p.m. Thursday evening. A great place to meet old friends and make new ones.

Spouse activities include a Shopping Center Trip, and visits to the Kentucky Horse Park and Shakertown (antiques and crafts). Contact March Wells at the Hospitality Meeting for information and trip consolidations.

The usual slate of Copper activities will be presented for the copper enthusiast. Bill Weber will organize and host the Half Cent Happening on Thursday evening. The Bourse, under the guidance of bourse chairman Paul Padget, will open Friday morning and consist of 45 Bourse Tables, EAC Sale Lot Viewing, and an interesting collection of exhibits organized by Mike Packard. The Educational Forum on Friday evening will be under the guidance of Harry Salyards. The Annual EAC Sale, catalogued by Bill Noyes, will be Saturday evening and the EAC General Meeting will be Sunday morning.

We hope you enjoy this year's Convention and your stay in the Greater Cincinnati area.
