TERMS OF SALE

1. This Sale is conducted by and for the benefit of Early American Coppers, Inc., a not-for-profit organization, (EAC) and its members. The net proceeds of this Sale are utilized to further EAC's primary activities, which are to promote, encourage and sustain a continued interest in early American copper coins and to disseminate relevant information concerning these coins.
 2. **THIS IS A PRIVATE SALE OPEN ONLY TO MEMBERS OF EAC.**
 3. Each lot will be sold to the highest bidder. Should identical bids be received on any lot, the first bid received by EAC shall be given preference. Should any dispute arise between bidders on a particular lot, EAC shall decide the same.
 4. **There is NO BUYER'S COMMISSION OR FEE.**
 5. Bidding shall be by mail or in person. Mail bids should be made for the maximum amount you are willing to pay for the applicable lot. Your bid will be reduced as appropriate that it is only the proper advance over the next highest bid. Mail bids should be made only on the Bid Sheet contained in this catalogue, and should be sent to the address(es) designated thereon. EAC cannot and does not assume any responsibility for or to correct any errors whatever on Bid Sheets. **PLEASE RECHECK YOUR BID SHEET CAREFULLY BEFORE MAILING.** No deposit is required of mail or floor bidders, however, all bidders are required to honor their bids. EAC will execute mail bids on behalf of its members, without charge or commission; however see Item 7 below.
 6. Each lot shall be opened for bidding at the reserved amount set forth in this catalogue, or as determined by EAC. No mail bid of less than \$25.00 on any U.S. coin lot will be accepted. Bidding shall increase in whole or round dollar amounts, at the discretion of EAC. Bids made in other than whole or round dollar amounts will be reduced to nearest such amount.
 7. Lots delivered in any locality where this Sale is conducted may be subject to state and/or local sales tax. Any such tax may be invoiced separately after delivery of purchases. Postage or shipping, plus insurance, will be added to the invoice of purchasers who have their purchases shipped.
 8. This Sale is strictly for cash; payment in full for all purchases must be made in current U.S. funds, upon receipt of invoice or prior to delivery of purchases. Personal checks with current funds available are acceptable; no credit cards or credit arrangements are acceptable. Title remains with EAC or its consignors until purchases are paid in full.
 9. Lots designated "as is" are sold on a strictly "**AS IS**" basis. No returns whatever. All multiple coin lots are sold on a strictly "**AS IS**" basis.
 10. Any errors in this catalogue discovered by EAC prior to the Sale will be corrected at the time of sale. In the discretion of EAC, any lot or mail bids on such lot may be withdrawn. Lots purchased by members attending the Sale in person (or by agent in person) may not be returned for any reason. Except for the lots designated in Item 8 above, lots purchased by members bidding by mail may be returned only if: (a) there is a substantial error in the catalogue description of such lot; (b) a written claim for adjustment is made to and received by EAC at c/o William Noyes, P.O. Box 428, Monument Beach, Massachusetts 02553 within ten (10) days of delivery of such lot; and (c) written permission for such return is granted by EAC. Notwithstanding the foregoing, lots removed from their original holders may not be returned for any reason. This is not an approval sale.
 11. Lots may be inspected only in person and only during the designated hours of the EAC Convention prior to the time of sale.
 12. By placing a bid, you agree to be bound by these Terms of Sale.

1991 EAC NATIONAL CONVENTION

The New England Region of Early American Coppers welcomes you to the 1991 EAC Annual Convention. This is the first time our region has hosted the National Convention. The Convention site is set in the middle of downtown Boston. Adjacent to the Convention Hotel are such landmarks as the Public Garden, The Boston Common, Chinatown, the Theatre District and many historic buildings. Boston is a walkable city -- Faneuil Hall is ten minutes away; safe and efficient public transportation is available to all major points of interest. Your Convention staff has pledged its full support and will strive to make your stay an enjoyable one.

Our festivities will begin Thursday afternoon with the traditional Hospitality suite. Many of our regional and national members have unselfishly contributed towards this for the enjoyment of all. The Half Cent Happening will take place around 7 pm. See Bill Weber for details.

The Bourse will be open to the public at 10 am Friday morning. This will be one of our biggest bourses, with over 50 tables and 65 dealers in attendance. Mike Packard has once again assembled a great display of exhibits, including a nice collection of Massachusetts coinage. The Friday night Educational Forum will be hosted by Harry Salyards. Saturday night brings us the EAC Sale masterfully cataloged by Bill Noyes and conducted by Denis Loring. Sunday is the final day of our Convention, commencing with the general membership meeting at 10 am.

We hope you enjoy the Convention and your visit to Boston and New England.
