EARLY AMERICAN COPPER CONVENTION

S. Fischer

---

## TERMS OF SALE

---

1. This Sale is conducted by and for the benefit of Early American Coppers, Inc., a not-for-profit organization, (EAC) and its members. The net proceeds of this Sale are utilized to further EAC's primary activities, which are to promote, encourage and sustain a continued interest in early American copper coins and to disseminate relevant information concerning these coins.
  2. **THIS IS A PRIVATE SALE OPEN ONLY TO MEMBERS OF EAC.**
  3. Each lot will be sold to the highest bidder. Should identical bids be received on any lot, the first bid received by EAC shall be given preference. Should any dispute arise between bidders on a particular lot, EAC shall decide the same.
  4. **There is NO BUYER'S COMMISSION OR FEE.**
  5. Bidding shall be by mail or in person. Mail bids should be made for the maximum amount you are willing to pay for the applicable lot. Your bid will be reduced as appropriate that it is only the proper advance over the next highest bid. Mail bids should be made only on the Bid Sheet contained in this catalogue, and should be sent to the address(es) designated thereon. EAC cannot and does not assume any responsibility for or to correct any errors whatever on Bid Sheets. **PLEASE RECHECK YOUR BID SHEET CAREFULLY BEFORE MAILING.** No deposit is required of mail or floor bidders, however, all bidders are required to honor their bids. EAC will execute mail bids on behalf of its members, without charge or commission; however see Item 7 below.
  6. Each lot shall be opened for bidding at the reserved amount set forth in this catalogue, or as determined by EAC. No mail bid of less than \$25.00 on any U.S. coin lot will be accepted. Bidding shall increase in whole or round dollar amounts, at the discretion of EAC. Bids made in other than whole or round dollar amounts will be reduced to nearest such amount.
  7. Lots delivered in any locality where this Sale is conducted may be subject to state and/or local sales tax. Any such tax may be invoiced separately after delivery of purchases. Postage or shipping, plus insurance, will be added to the invoice of purchasers who have their purchases shipped.
  8. This Sale is strictly for cash; payment in full for all purchases must be made in current U.S. funds, upon receipt of invoice or prior to delivery of purchases. Personal checks with current funds available are acceptable; no credit cards or credit arrangements are acceptable. Title remains with EAC or its consignors until purchases are paid in full.
  9. Lots designated "as is" are sold on a strictly **"AS IS"** basis. No returns whatever. All multiple coin lots are sold on a strictly **"AS IS"** basis.
  10. Any errors in this catalogue discovered by EAC prior to the Sale will be corrected at the time of sale. In the discretion of EAC, any lot or mail bids on such lot may be withdrawn. Lots purchased by members attending the Sale in person (or by agent in person) may not be returned for any reason. Except for the lots designated in Item 8 above, lots purchased by members bidding by mail may be returned only if: (a) there is a substantial error in the catalogue description of such lot; (b) a written claim for adjustment is made to and received by EAC at c/o William Noyes, P.O. Box 428, Monument Beach, Massachusetts 02553 within ten (10) days of delivery of such lot; and (c) written permission for such return is granted by EAC. Notwithstanding the foregoing, lots removed from their original holders may not be returned for any reason. This is not an approval sale.
  11. Lots may be inspected only in person and only during the designated hours of the EAC Convention prior to the time of sale.
  12. By placing a bid, you agree to be bound by these Terms of Sale.
-

# 1992 EAC NATIONAL CONVENTION

We welcome all Early American Coppers members to the 1992 EAC Annual Convention. The Convention site is the Clarion Hotel, in downtown St. Louis. It overlooks the Mississippi River and the Gateway Arch. A number of other interesting sights are within walking distance of the Hotel and in the general area. Trips to attractions will be organized for EAC members and spouses.

The program, in most respects, follows the traditional pattern. It begins with the Hospitality Suite reception Thursday evening. The Half Cent Happening will take place immediately following the Hospitality reception. The Bourse, handled again by Bill Weber, will be open to the public at 9 a.m. Friday. Mike Packard has put together an interesting group of exhibits.

A special event will take place Friday evening at the Mercantile Money Museum for EAC members and spouses, which will include dinner and some special EAC oriented exhibits at the Museum. The Friday evening program will conclude with the Educational Forum, again hosted by Harry Salyards. An exciting group of presentations has been scheduled.

Saturday night features the EAC Sale described in detail in this catalogue, prepared by Bill Noyes. Sunday is the final day of the Convention, beginning with the General Membership meeting at 9 a.m. The Convention ends at 2 p.m.

We deeply appreciate the advice, participation and hard work of a group of experienced EAC members, which has made the planning of this Convention a pleasure. If there is anything we can do to make the experience of attending this Convention more pleasant for any EAC member or spouse, please do not hesitate to let us know.

R. TETTENHORST  
Chairman

---
