CONVENTION**

CONFERENCE CENTER**

APRIL 22-25

1993 EAC NATIONAL CONVENTION

WELCOME TO TEXAS!

We hope you have a good time whether coppers, shopping or sightseeing is your bag. The agenda below outlines the when and where for activities related directly to **EAC '93** and we hope everyone will take advantage of these opportunities.

For those interested in other activities--let us offer a few comments. First and foremost the City of Grapevine has graciously agreed to provide an information table in the bourse room running from 9 to 11 a.m. on Friday. These people are here solely to help you plan your sightseeing and shopping. Feel free to ask and they'll feel free to help. We would suggest, particularly for those people that attended in '81 or '87, that you might want to look over Forth Worth while you're here. Ask the ladies at the information table about Fort Worth's sightseeing, museums, etc. We think you'll be surprised.

Through the terrific fiscal assistance of our members we, for the tenth consecutive year are able to offer a hospitality event on Thursday evening. This is a perfect time to greet old friends and meet new ones--be sure to attend.

One final note aimed at dealers. Security begins at 2 p.m. on Thursday. Our security personnel will not let you in unless you're accompanied by Stu Hodge, Ed Jasper or Chris Victor-McCawley. Please find one of us when you're ready to stow your stuff!

HOPE TO SEE YOU AT EAC '93!

**Stu Hodge, Ed Jasper, Ron and Terri Blaha,
Chris McCawley and Don Peterson**
